

THANK YOU FOR VISITING US AT ITAP 2023

SMC Corporation extends our sincere gratitude to all customers and visitors who made time to be at Industrial Transformation Asia-Pacific (ITAP 23). We hope you have taken away some interesting insights into the Digitalization and Sustainability we featured at our booth.

You have helped SMC tremendously with your attendance and the fun interactions with our exhibits. We will never forget such a moment from that day. It has been our utmost pleasure to share with you what SMC has to offer to the table, and not to forget we hoped you had fun too while talking about business, as we sure did.

We can't wait to show you what we have in store for you in the upcoming years. Hope to see you soon in our next events/exhibition.
