

MOU signing between SMC, Spectra Secondary and Crest Secondary School to establish collaboration of Sustainable Development Goals (SDG) training system sponsorship

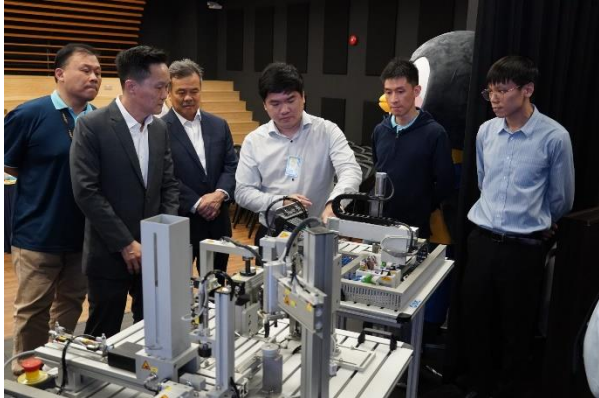

SMC is pleased to announce the signing of MOU to establish a working relationship between Spectra Secondary and Crest Secondary School on collaboration of Sustainable Development Goals (SDG) training system sponsorship.

In Singapore, two specialised schools, Crest Secondary and Spectra Secondary provide additional educational pathway for Normal (Technical) students to explore more skills such as Mechanical Design and Automation to give them more flexibility. SMC Singapore is taking up the SDG initiative on sponsoring automatic training system (MAP-205 & MAP-206) to the secondary schools to instill students interest in early engineering. Through hands-on, the training systems can aid students to understand pneumatic system for pick and place applications. SMC hope to support the growth of young students to progress faster in their vocational journey, and aspire to become future mechatronics engineer.

The signing of the MOU took place on 16 November 2023 at Spectra Secondary and Crest Secondary School. Representing the agencies to sign the MOU were Mr. David Wong, Managing Director of SMC Corporation (Singapore) Pte. Ltd., Mr. Tan Teck Hock, Principal from Spectra Secondary School and Mr. Seet Tiat Hee, Principal from Crest Secondary School.
