

## A big shoutout to our valued customer, Mindox Techno Pte. Ltd.

We're truly grateful for your unwavering support over the years and for continuously applying our products in your machines. It's been an absolute pleasure being part of your success story. Here's to many more years of strong partnership and shared achievements.

**Thank You!**  
Partners in Precision. Allies in Innovation.

**To Our Valued Technology Partner - SMC,**

We extend our sincere appreciation for your instrumental role in the successful launch of **NewtrOx 3C** our newest advancement in precision coating and cleaning technology.

From high-quality materials to technical components, timely deliveries, and unwavering support you've been more than suppliers; you've been true partners in innovation.

Thank you for helping us make this vision a reality.

– The MindOx Techno Team
